- ✓ **Organisation of essay, elocution and debating competitions.**

7.5 Whether environmental audit was conducted?

Yes No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

❖ Strengths

- The only college in Jath Tehsil.
- The area of 22.9 acres.
- Very good classroom attendance.
- Spacious playground having 8 lanes 400 metre track.
- Separate Gymnasium for Boys and Girls.
- No Noise pollution, as college is away from the town.
- Work Culture beyond time limit.
- Green and Clean Campus.

❖ Weaknesses

- Students from drought prone and economically backward area.
- No Vocational Courses.
- Poor research contribution.
- Less number of Major/Minor Research Projects.
- College is 135 km away from University.
- Faraway location of the college from central Bus Stand.

❖ Opportunities

- To start Vocational Courses.
- To submit more major and minor research projects.
- To start sports training centre.
- To promote co-curricular and extension activities.

❖ Threats

- Fund raising problem as college is in drought prone area.
- A problem in promoting research culture as the University is 135 km away from the college location.

8. Plans of institution for next year

- ✓ **To organise 01 International conference through Physics department.**

Two Best Practices of the institution

Best Practice –I

(A) Best Practice-I

1) Title: Tribute to APJ Kalam by Extra working

2) Goals:

- i. To Pay tribute to Late A.P.J.Kalam
- ii. To Inculcate the moral values of great persons in to minds of students
- iii. To Introduce the innovative work culture amongst students through actions and not by thoughts only

3) The Context:

The college gives prime importance to work culture by action. One of the ways to ensure this work culture is to start from ourselves. Most of times we observe special days tribute by enjoying the holidays. But to inculcate the moral values like work culture beyond time we pay tribute to Dr. A. P. J. Kalam by conducting the college on one holiday.

4) The Practice:

From Last three years we pay tribute to our Late President Dr. A.P.J. Kalam by working extra on the holiday. College announces the Tribute day every year after 24th August. This day is purposely selected as holiday and notice is issued to all the students with the additional timetable. Periods and practical's are conducted on the same day as per the timetable.

5) Evidence of Success:

Almost all the students are attended their theory and practical classes on that day. The College conducted the programme in the memories of Late Dr. A.P.J. Kalam. Media has also given the coverage to this innovative and best practices conducted by our college.

6) Problems Encountered and Resources Required:

The problem for implementation of the practice is that few out stationed staff are not able to work on these days. Due to Bank holiday we could not work financial transition on this day.

No additional resources are required to conduct the practice.

Best Practice –II

Title: Student of the Year

Objectives of the practise:

- ✓ To promote students for all round personality.
- ✓ To inculcate the habit of personal documentation.
- ✓ To have self-assessment of students.

The Context:

Most of the students are always participating in various competitions like elocution, poetry recital, debating, sports, cultural events etc. Not only these but many students are also participating in the social activities. They have hobbies like newspaper writing, painting, Singing etc. But all these activities are not able to record their contribution in academic Mark list. But these activities are most important part of their personality development. To have overall personality development all such activities are necessarily recorded and recognised by someone. This practice is one step ahead in this regard.

The Practice:

In the Second term of the year, college announces the scheme to award the student of year from each faculty. An application form is supposed to submit with all required documents as a proof and record. A committee of teachers (Teacher members of IQAC) constituted for these scheme scrutinize the application and verify the score. On the basis score achieved by them committee declares the student of the year and they are felicitated in the Annual Day programme by offering them a Memento and Certificate of Appreciation.

Evidence of Success:

Every year more than 40 students participate in this competition. Everyone could not win, but they get an opportunity to keep up their record updated and analyse themselves in quantitative manner.

Problems Encountered and Resource Requirement:

Only student of last year are made eligible for this scheme. Students participated in many activities in their school days but they won't find out the documents for the proof. No additional resources are required.

Parents Feedback Analysis

A structured questionnaire has been supplied to the sampled parents on random basis. The responses so collected through questionnaire were classified and tabulated. Based on the average highest response the conclusions were drawn and following are the conclusions.

- 1) Adequate educational facilities are provided in the institute
- 2) Qualified and competent teachers are available
- 3) Eco-friendly and clean college campus
- 4) Public transport facilities are available as per college schedule
- 5) Teacher-parent meet organized regularly by the college
- 6) Suggestions from the parents are considered positively by the college
- 7) Library services are properly provided to the wards by the college
- 8) Adequate exposure is given to the students regarding co-curricular and extra curricular activities
- 9) The overall personality of the ward is developed in the college
- 10) ICT is used for effective and fast communication by the college

Students Feedback Analysis

A structured statement schedule has been supplied to the sampled students from three streams on random basis. The statements were classified in three broad categories, viz (i) general information covering 13 statements, (ii) subject related questions covering 12 statements, (iii) institutional and aim of educational related 06 statements. Students were asked to respond the statements on 5 points scale covering 1 = Not satisfactory, 2 = Satisfactory, 3 = Good, 4 = Very Good and 5 = Excellent. The responses so collected through structured schedule were classified and tabulated. Based on the average highest response to the teachers on each statement under a category, the highest average regarding the responses to the statements have been considered for the conclusions. Thus conclusions were drawn which are as below.

(i) **General information:** Majority of the teachers were rated by the students at 4.15 which means the most of the teachers are very good in general information.

(ii) **Subject related statements:** Majority of the teachers were rated by the students at 4.52 which means th most of the teachers are very good in their respected subjects.

(iii) **Institutional and aim of educational related:** Majority of the teachers were rated by the students at 4.23 which means the most of the teachers are very good in providing institutional information and aim of education.
