

INSTITUTIONAL DEVELOPMENT PLAN (IDP)

1. Objectives of the IDP:

- To make students a successful citizen by improving the quality and infrastructure of educational institutions
- To develop annual activity plans to build capacity and remove gaps.
- To ensure meaningful engagement of all stakeholders in the development of institutions
- To undertake Periodic Reviews and appropriate measures for continuous improvements.

2. Vision and mission of the College/Institute:

Motto - "Dissemination of education for knowledge, science and Culture"

Vision - To empower the youth to face global challenges.

Aims and Objectives -To provide modern education to the youth of the rural and drought prone area of Jath Taluka at the affordable cost for their all-round development.

Mission:

- To promote scientific temper among the students.
- Thrust for quality.
- Inclusive development of students.
- Environmental conciseness.
- Sustainable development.
- Overall personality development of students.
- To provide platform for equal opportunity.
- Concern towards human values.

GOALS:

Our goal is to achieve social, economic, and political transformation of society. It is the responsibility of the college to achieve these goals to improve the academic standard of students, promote computer literacy and create social awareness regarding health, hygiene, and environment. By providing adequate and modern educational facilities to the rural youth, the college is trying to bridge the disparity between the rural and urban cultures and to create awareness against discrimination in caste, creed, and gender.

3. Institutional Profile:

Raje Ramrao Mahavidyalaya, Jath is affiliated to Shivaji University, Kolhapur. It is in remote, rural and drought prone area of Sangli district. The college, right from its inception has shown academic excellence and students have won meritorious awards and have maintained top ranks in the university examinations as well as in extra-curricular activities. Raje Ramrao Mahavidyalaya, Jath is having graduate departments of full-fledged Arts, Science, Commerce and B.C.A. The college has started M.Sc. (Physics) from this academic year 2016-17 and M.Sc. (Analytical Chemistry) in the 2017-18. The college has Shivaji university Kolhapur recognized research laboratories in Physics and Chemistry. Total Student strength of college is more than 3000. College has total 60 teaching staff and 28 non-teaching staff. Recently 05 minor research projects have been granted by UGC and 16 new MRP's have been submitted to UGC. We have highly qualified staff and well equipped laboratories. NAAC Bangalore has reaccredited the college with B Grade (CGPA 2.30) in the year 2018.

The Vice Chancellor of the university has honored the college by the certificate of appreciation for securing second and first position for getting maximum number of merit scholarships offered by the University for the year academic year 2014-15 and 2015-16 respectively.

College has organized consecutive 6 International Conferences on Advances in Materials Science.

College has signed 33 MOUs and started 38 Career oriented courses and value added Programmes our institution is purely educational and it is run by teachers only. It was our founder's vision that the college become a dynamic center of educational and cultural movement as a vehicle of social change. Considering the future development in education, the goals of education were modified by giving emphasis on science and other courses. We aim at fully equipping our students to become modern global citizens.

38

Environment Awareness Program:

A. Rainwater Harvesting:

Present Status	Target in next 5 years
YES	At present used for recharge. In next phase the water will be purified and utilized for different purposes

B. Circular Economy: The circular economy is a model of production and consumption, which involves sharing, leasing, reusing, repairing, refurbishing, and recycling existing materials and products as long as possible. In this way, the life cycle of products is extended. In practice, it implies reducing waste to a minimum. The college has designed various policies for maintenance of present infrastructure and non-consumable materials. The college has AMC with various service providers. The instruments have been repaired and reused. The college has a vermicomposting unit for solid waste management. The college prefers online mode of communication and drives for sharing of files.

C. Village Adoption:

Present Status	Target in next 5 years
01 villages under NSS scheme	02 more villages will be adopted. Extension activities will be organized.

D. Green Audit/ Energy Audit: The college has conducted Green, Energy and Environment Audit from the year 2019-20 a recognized body of Sustainable Academe, Greenio Solutions Nalgaon . The college will follow the recommendations and act accordingly.

39	Implementation of National Programs: The college will implement all the National programs as per the guidelines received time to time from UGC, Govt. of Maharashtra and Shivaji University, Kolhapur.

- Training in Rowing, Fencing, Rope gymnastics, and Karate is a special feature of the college.
- Registered and functional Alumni Association
- NSS and NCC Unit

Institutional Weakness

The Clock Hour Based faculty instead of Full-time faculty due to State Government policy

Various cultural, financial and linguistic barriers as the students hailing from rural areas

Some students lack proficiency in English

Being from rural background, students have an inferiority complex regarding culture, modernity and the technologically advanced world

Students from drought prone and economically backward area.

College is 135 km away from University.

Far away location of the college from central Bus Stand.

Institutional Opportunity

The college has an opportunity to enhance the capabilities of students coming from poor and rural background

The College can contribute to overcoming of social problems like illiteracy, dropouts and stagnation in adult and higher education

Proficiency in English can be developed by conducting various programs

To make careers in sports, cultural fields and leadership, special efforts can be undertaken

To start PG courses in various subjects

To get Autonomous status and start multidisciplinary programs

To start Vocational Courses.

To submit more major and minor research projects.

To start sports training centre.

To promote co-curricular and extension activities.

To increase the number of publication by the faculty

Institutional Challenge

Providing conveyance facility to the students coming from distant villages

Increasing girl's enrolment in higher education

To develop employability among the students

Making the students able to face local and global challenges

Remain established and progressed by competing with neighboring institutes

Receive Grants from various funding agencies to excel in Research

Increase Placement Opportunities for students

Cope with rapid development in the field of education as per NEP 2020 guidelines

Fund raising problem as college is in drought prone area.

A problem in promoting research culture as the University is 145 km away from the college location.

In convenient and poor transport facility between university and college
