Whereas

- A. SSVSS, RAJE RAMRAO MAHAVIDYALAYA JATH, DEPARTMENT OF CHEMISTRY DISTRICT- SANGLI, MAHARASTHRA, INDIA. It is in remote, rural and drought prone area of Sangli district. The college, right from its inception has shown academic excellence and students have won meritorious awards and have maintained top ranks in the university examinations as well as in extra-curricular activities. It is an active centre for higher technical education that does always welcome collaboration with academic as well as pharmaceutical industrial and engineering enterprises of national and international statue. This program involved in this MOU is actively engaged in various teching-learing and research practices in pharmaceuticals sciences and technology domain.
- B. PQS Training Laboratory Verna Goa is partnership firm involved in various quality related services to pharma as well as involved in industry ready skill set development programs for pharma job seekers within quality sections.
- C. Both the parties would like to enter into this MOU for industrial institute interaction and to establish a basis of cooperation and collaboration between the parties upon the terms as contained herein.

Memorandum of Understanding

1. Area of Co-operation

The parties agree to carry out collaborative efforts in the areas of:

- a) Collaborative research and project work.
- b) Industrial training and sponsored project for UG/PG students.
- c) Joint organisation of workshop and seminars on the topics of common interest.
- d) Guidance and cooperation to Training & Placement activities.
- e) Consultancy and exchange of knowhow on charge basis.
- f) Mutual cooperation in development work
- g) Extending the help and mediation for any other collaboration in the educational and technology area on charge basis.
- h) Any other areas of co-operation as agreed to by the parties from time to time.

The parties to this MOU agree to continue discussions and communication on the areas as identified in sub-clause 1.1 in respect of their implementation and in identifying each party's responsibility and interest.

2. Duration and Termination

This MOU shall remain in effect for 5 (Five) years from the effective date or until terminated by either party with thirty (30) days written notice.

This MOU may be extended for a further period as may be agreed in writing by the parties.

3. Financial Agreement

This MOU shall not give any financial obligation There should not be cost and expensive involved for the implementation of this MOU except mutually agreed cost for some items as stated in sub clause 1.1.

Memorandum of Understanding

4. Confidentiality

Each party shall undertake to observe the secrecy of confidential information received from or supplied to the other party during the period of implementation of this MOU or other agreement made pursuant to this MOU.

For purpose of this MOU "Confidential Information" means any information whether prior to or hereinafter disclosed by a party (the disclosing party) to the other party (the receiving party) of this MoU involving technical , business, marketing , policy, known-how planning , project management and other information, data and / or solution in any form, including but not limited to any information which is designated in writing to be confidential or by its nature intended to be for the knowledge of the receiving party or if orally given, is given in the circumstances of confidence.

Both parties agree that the provision of this clause shall to be binding between the parties notwithstanding the termination of this MOU.

5. Settlement of disputes.

Any difference or dispute between the parties censoring the interpretation and / or implementation and / or application of any of the provisions of the MOU shall first be settled amicably through mutual consultations and / or negotiations between the parties.

6. Non contractual nature of relationship

Save for clause 4 the parties agree that this MOU represent the mutual understanding of the parties and is not intended nor shall be deemed to be a contract and shall not give rise to any rights and liabilities under a contract.

Nothing contained herein shall be construed so as to constitute a joint venture partnership or formal business organization of any kind between the parties or so to constitute either party as the agent of the other.

The parties acknowledge that this MOU does not in any way give rise to any right or permission to use or to be associated with each party's intellectual property.

Memorandum of Understanding

7. Revision , Variation and Amendment

Either party may request in writing a revision variation or amendment of this MOU. Any such revision, variation or amendment agreed to by the parties shall be in writing and shall form part of this MOU. Such revision, variation or amendment shall be come into force on such date as may be determined by the parties.

Any revision or amendment shall not prejudice the implementation of any project, activity or co-operation arising from or based on this MOU before or up to the date of such revision, variation or amendment.

8. Supervising Events

- 8.1 Each party reserves the right for reasons of national security, national interests, and public health to suspend temporarily, either in whole in part the implementation of this MOU which suspension shall take effect immediately after notification has been given to the other party.
- 8.2 Notwithstanding sub-clause 8.1 should any other event occur which hinders or restrict the implementation of this MOU the parties shall use their best endeavour to agree upon such action as may be necessary and equitable to remove the cause of such event.
