BRIEF SUMMARY OF FREE DISCUSSION ON

Shikshan Maharshi Dr. Bapuji Salunkhe Forum "Muktapeeth" organizes open discussion on various current topics. The Muktapeeth organized debate on 'Grahan' on 17th November, 2022.

98 students of B. Sc. and faculty members participated in this activity.

The session was introduced by the Librarian Mr. Abhaykumar Patil and chaired by Hon. Principal Prof. (Dr.) S. S. Patil.

The students shared their views on the given topic of 'Grahan'. Some of them talked about belief system that works around the concept. Many students rejected the religious connotation behind the concept whereas many of them focused and strongly supported religious and spiritual connections of Eclips.

Students from Science faculty share their views and scientific reasons behind obedience of rules laid for the Eclips. A number of students carried our attention towards grahan -culture relationship. For example, keeping the Tulsi leaves during the span of Eclips is highly essential because it keeps on giving Oxygen all the times. At the same time, Prof. Navnath Lawate Dept. of Geography spoke on Grahan as a Geographical phenomenon.

The President of today's program also shared his opinions about Eclips. He also motivated all of us to study it from the point of view of science.

Prof. Masal, Prof. Gaikwad, Mr. R. B. Sawant, Dr O. D. Kudlakar, Miss Mujawar and Mrs Vaishali Madane were present for the program. The activity was carried by Dr. Satishkumar Padolkar, the Librarian Mr. Abhaykumar Patil and Dr. P. B. Thorbole. At the end, Dr. Satishkumar Padolkar presented vote of thanks for the session.

BRIEF SUMMARY OF FREE DISCUSSION ON
SHOULD EDUCATION BE FREE OR NOT?

Shikshan Maharshi Dr. Bapuji Salunkhe Forum "Muktapeeth" organizes open discussion on various current topics. The Muktapeeth organized debate on 'Should Education Be free or not?' on 22nd November, 2022. S

58 students and faculty members from the department of NSS (Science Stream) participated in this activity.

The session was introduced by the Librarian Mr. Abhaykumar Patil and chaired by Hon. Principal Prof. (Dr.) S. S. Patil.

The students shared their views on the given topic of 'Should Education Be free or not?'. Some of them said that education is already with monetary interests. Some of the students opined that education is still as chaste as the Goddess. So, it should be free of cost. .

A number of students turned our attention towards the fact that there are hidden charges available even if it is said that it is free education. They opposed market policy of higher education. A number of students were supported the argument that education will lose its value if it will be made free of cost.

The president of today's program was enthusiastically present for the discussion. In the same way, he shared his opinion with a fine balance that education should neither free nor so much expensive. It should decline its monetary interests forever. Education should be affordable to all the strata of the society. The president guided us to sustain qualitative education in the country.

The program was also attended by, Mr. P. J. Choudhari, and Prof. Priyanka Bhusnur. The activity was carried by Dr. Satishkumar Padolkar, the Librarian Mr. Abhaykumar Patil, Dr. P. B. Thorbole and Dr. O. D. Kudalkar. At the end, Dr. Satish Padolkar presented vote of thanks for the session.

BRIEF SUMMARY OF FREE DISCUSSION ON

DOMESTIC VIOLENCE: CAUSES, EFFECTS AND REMEDIES

Shikshan Maharshi Dr. Bapuji Salunkhe Forum "Muktapeeth" organizes open discussion on various current topics. The Muktapeeth organized debate on 'Domestic Violence: causes, effects and remedies' on Friday, 24th March, 2023.

22 students and faculty members from the department of NSS (Arts Stream) participated in this activity.

The session was introduced by Dr P B Thorbole and chaired by Hon. Principal Prof. (Dr.) S. S. Patil.

The students shared their views on the given topic of 'Domestic Violence: causes, effects and remedies'. Some of them talked about rights of people whereas many of them focused on duties of people.

The Constitution guarantees six fundamental rights to Indian citizens as follows: (i) right to equality, (ii) right to freedom, (iii) right against exploitation, (iv) right to freedom of religion, (v) cultural and educational rights, and (vi) right to constitutional remedies. Domestic violence is a criminal offence. The constitution gives all of us the right to live with a prestige. So, it was discussed that domestic violence is inhuman treatment to every woman in the world.

Some students talked about duties of people such as support and defend the Constitution, stay informed of the issues affecting your community, participate in the democratic process, respect and obey federal, state, and local laws; respect the rights, beliefs, and opinions of others; participate in your local community.

The President guided that follow properly the rights and duties as per the Indian constitution.

The program was also attended by Dr. B. M. Dahalake, Mr. P. J. Choudhari, and Mr. A. S. Tikke. The activity was carried by Dr. Satishkumar Padolkar, the Librarian Mr. Abhaykumar Patil and Dr. P. B. Thorbole. At the end, Mr. A. S. Tikke presented vote of thanks for the session.

BRIEF SUMMARY OF FREE DISCUSSION ON
CHATGPT: OPPORTUNITIES AND CHALLENGES

Shikshan Maharshi Dr.Bapuji Salunkhe Forum "Muktapeeth" organizes open discussion on various current topics. The Muktapeeth organized debate on 'ChatGPT: Opportunities and challenges' on Thursday, 20th April, 2023.

113 students and 18 faculty members participated in this activity.

The session was introduced by Miss. Savita Suresh Mali, a student from BCA-III. The theme for today's discussion was elaborated by the Librarian Mr. Abhaykumar Patil and the session was chaired by Hon. Principal Prof. (Dr.) S. S. Patil.

The students shared their views on the given topic of 'ChatGPT: Opportunities and challenges'. Some of them shared their positive outlook at the given topic whereas many of them highlighted the negative perspective towards ChatGPT.

Some students talked about importance of ChatGPT, Google and other search engines for proper process of teaching and learning. Many of them recommended the system to keep a strict watch to avoid the cases of plagiarism. The students asserted that the concept of ChatGPT is more useful than the other search engines because they may provide inappropriate results but ChatGPT provides the exact results of the commands given to it. For example, especially girls are benefitted by ChatGPT as they have got proper recipes after the search. It is found beneficial for the boys as it helped them in preparing a project and seminar.

A number of students made us aware about the challenges that occurred while using ChatGPT. Most of the times, they were linguistic barriers. ChatGPT is not capable of providing results in regional languages. It cannot provide any

information about old and rustic traditions in India or Maharashtra. The reason is that ChatGPT has the data till 2121.

The President gave us another positive outlook to AI. He said that ChatGPT is being used almost everywhere. It will be rampantly used even in future. It saves a lot of our time while studying. It may show you the results that are fed by the maker. Human beings can never be replaced by AI because it does not have original talent.

The faculty members and students showed enthusiasm by remaining present for the program. The activity was carried by Dr. Satishkumar Padolkar, the Librarian Mr. Abhaykumar Patil, Dr. P. B. Thorbole and Dr. Omkar Kudalar. Mr. Vijay Yamagar and Mrs. Karande L. S. At the end, Divya Shashikant Mali expressed vote of thanks for the program.

BRIEF SUMMARY OF FREE DISCUSSION ON
CHATGPT: OPPORTUNITIES AND CHALLENGES

Shikshan Maharshi Dr.Bapuji Salunkhe Forum "Muktapeeth" organized an open debate on various current topics. The Muktapeeth organized debate on 'Privatisation of Public Sectors in India: Trends and Consequences' on Thursday, 28th April, 2023.

89 students and 22 faculty members registered participation in the activity.

The session was introduced by Mrs. Lata Karande. an Assistant Professor of Department of Hindi. The theme for today's discussion was elaborated by the Librarian Dr. B. M. Dahalake and the session was chaired by Hon. Principal Prof. (Dr.) S. S. Patil.

The students stood to support the policy of privatization in general. Some of them shared their positive outlook at the given topic whereas many of them highlighted the negative perspective towards privatization. They observed negative points of private sector.

Some students talked about importance of private sector and privatization in the process of evolution of a nation. Many of them recommended the system to keep a strict watch to avoid the cases of corruption. The students asserted that the concept of privatization is applicable only to the things like enjoyment or entertainment. The basic things like medicine, road transport and education should not be made private because there will never be any concession for common or poor people in the country. They tried to prove their statements with the help of a few incidents during Covid pandemic. They also said that Government hospitals provided better services than the private hospitals during the pandemic.

The President gave us another approachh of looking at privatization. He neither supported not opposed the idea of privatizaton. Rather, he elaborated both sides of privatizaton of public sector. The faculty members and students showed enthusiasm by remaing presence for the program. Moreover, faculty members spontaneously spoke on today's topic. Mr. R. S. Banasode, Mr. A. H. Bogulwar, Mr. N.
