ONE DAY NATIONAL CONFERENCE

On

“ RECENT ADVANCES IN
ZOOLOGY ” (RAIZ-18)

13th Jan. 2018

Organized by

Department of Zoology

Raje Ramrao Mahavidyalaya, Jath.

In Collaboration with

‘ ZOOPASTA ’

Dear Sir/Madam,

It gives us an immense pleasure to invite you to participate in a National Conference on “**Recent Advances in Zoology**” to be held on 13th Jan. 2018, organized by Department of Zoology, Raje Ramrao Mahavidyalaya, Jath in collaboration with ‘ZOOPASTA’

About the Sanstha:

Shri Swami Vivekanand Shikshan Sanstha, Kolhapur a leading and renowned educational institution in Maharashtra was established in 1954 by Shikshanmaharshi Dr. Bapuji Salunkhe. The Sanstha with its headquarter at Kolhapur started functioning by opening 5 secondary schools. Now after 62 years, it has grown up to 373 educational units from pre-primary to post-graduate level in various streams including Education, Nursing, Law, Engineering, Pharmacy, Hotel Management and vocational courses along with conventional streams.

About the College:

Raje Ramrao Mahavidyalaya was established in June 1969. Shrimant Vijayasinh Raje Ramrao Dafale, heir of the pre-Independence Jath princely state, donated 28.33 acres of land to Shri Swami Vivekanand Shikshan Sanstha for opening the college to benefit the students, especially girl students coming from 125 odd villages of Jath taluka. Total 15 disciplines are taught in the college in Arts, Science, Commerce and Computer Application streams with the current student strength of 3160. The college has a well-equipped library with 55,000 books and subscription to 37 journals.

Theme of the Conference :

“**Recent Advances in Zoology**” (RAIZ-18)

Objective of this conference is to highlight the national status of the interdisciplinary research. One of our aims is to bring the awareness among the researchers, teachers and students regarding the recent developments in the field of biological sciences. Topic selected for expert talk will cover biodiversity, molecular biology, insect physiology, endocrinology, aquatic biology, nanotechnology, genealogy, medicinal plants, sericulture and biotechnology.

The Conference will provide excellent opportunity for participants to interact, exchange ideas and to discuss new developments in these disciplines. Eminent researchers will share their academic and research excellence in this event. They will highlight the front line research areas such as biodiversity, molecular biology, insect physiology, endocrinology, aquatic biology, nanotechnology, genealogy, medicinal plant, sericulture and biotechnology.

Application of different analytical tools in this regards will also be emphasized. We are also trying to catalise the scientific interactions between the researchers, scientists, technologists and academicians. Interdisciplinary interactions are also expected during this event for advancement and application of Knowledge from society point of view. To make a breakthrough in research fruitful interactions between scientists and technologists will also be arranged. Desired coverage will also be given for discussion on curious questions raised by budding scientists. We also look forward to scientific deliberations on trends, prospects & further direction of research.
