About the College

Raje Ramrao Mahavidyalaya, Jath is one of the leading college of Shri Swami Vivekanand Shikshan Sanstha Kolhapur, affiliated to Shivaji University, Kolhapur. It is in remote, rural and drought prone area of Sangli district of Maharashtra State. The college, right from its inception has shown academic excellence and students have won meritorious awards and have maintained top ranks in the university examinations as well as in extra-curricular activities. Raje Ramrao Mahavidyalaya, Jath is having graduate departments of full-fledged Arts, Science, Commerce and B.C.A. The college has started postgraduate departments in Physics and Analytical Chemistry. The college has Shivaji university Kolhapur recognized research laboratories in Physics and Chemistry. Total Student strength of college is above 3000. We have highly qualified staff and well equipped laboratories. NAAC Bangalore has reaccredited the college with B Grade in the year 2018.

The Vice Chancellor of the university has honored the college by the certificate of appreciation for securing second and first position for getting maximum number of merit scholarships offered by the University for the year academic year 2014-15 and 2015-16 respectively.

College has organized consecutive 6 International Conferences on Advances in Materials Science College has signed 18 MOUs and started 28 Career oriented courses and value added programs.

Our institution is purely educational and it is run by teachers only. It was our founder's vision that the college become a dynamic center of educational and cultural movement as a vehicle of social change. Considering the future development in education, the goals of education were modified by giving emphasis on science and other courses. We aim at fully equipping our students to become modern global citizens.

Considering the growing importance of interdisciplinary approach to achieve excellence in teaching and research in basic sciences and life sciences the college wishes to improvise teaching and practical training in the existing courses.
